SCL PROJECT SNAPSHOT

The Residences at Little Nell in Aspen, Colorado

SCHEDULING TIPS FOR AUGUST...

News Alert: Primavera Project Planner & Suretrak are being phased out. The new products will be P3e/c (engineering & construction) & Primavera Contractor. Due to this phasing out plan, any money spent on training should be applied to the new software products. SCL will be contacting our clients to discuss this issue because of the complexity of the new software.

Definitions:

- **Early Start**=The earliest an activity can start based upon its relationships to other activities in the network.
- **Early Finish**=The earliest an activity can finish based upon its relationships to other activities in the network including its duration.
- **Late Start**=The latest an activity can start without affecting the overall duration of the project.
- **Late Finish**=The latest an activity can finish without affecting the overall duration of the project.

The Residences at Little Nell in Aspen, Colorado

Project Value: \$45 million

Project Start Date: June 2005

Project End Date: August 2007

Swinerton Builders has broken ground recently at the base of Aspen Mountain where a mining camp once thrived. This 31 unit resort includes roof-top pools, an outdoor dining terrace, private ski-in/out terraces, and shops.
