

A Solution that Works...

Scheduling Consultants, Ltd.

A note from Scheduling Consultants...

Scheduling tips for June:

Project Archiving

Schedule Archiving Tips:

- Never update or change a schedule that has been issued to the owner or subcontractors
- Copy and rename the baseline or current updated schedule-this creates an audit trail
- Use the newly created copy as the schedule to update or make changes
- Use a file naming system that is consistent.

i.e., EXBL (EX=project name; BL=baseline)
EX01 (EX=project name; 01=1st update)

Archiving:

- Create a file of hard copies
- Create a file of electronic copies

Dear Clients,

Scheduling Consultants will be issuing a bi-monthly newsletter to our faithful clients throughout the year. This will give you an idea of what projects we are scheduling, new projects that have come our way, and tips to help you throughout your busy day. Thank you for letting us work with you and we hope you enjoy the first edition of our newsletter!

Best regards,

Craig Olsen, President
& Carmelita Thorndike, Vice President

SCL Project Snapshot

UNM Children's Hospital in Albuquerque

University of New Mexico Children's Hospital & Critical Care Pavilion

Project Value: \$146 million

Location: Albuquerque, New Mexico

Project start date: October 14, 2004

End date: November 26, 2007

Jaynes & J.E.Dunn joint venture are expanding the current hospital to a new 476,555 square foot, six floor clinical facility for children. Some of the additions will include a maternity ward, trauma center, and private patient rooms.
